BMSCE PLACEMENTS

BMS College of Engineering

Department of Training & Placement

Horizon 2018

Founders

BMS College of Engineering (BMSCE) was founded in the year 1946 by Sri B.M. Sreenivasaiah, a great visionary and philanthropist and nurtured by his illustrious son Sri B.S. Narayan

Late Sri B. M. Sreenivasaiah
Founder

In the annals of Karnataka's history, the name of Businayana Mukundadas Sreenivasaiah (BMS) occupies a prominent place as a philanthropist and visionary educationist. The Maharaja of Mysore honoured him with the title of Rajakarya Prasaktha in 1946. He started BMS College of Engineering in the same year. He had foreseen the urgent need for high-quality technical education in India, even before independence. The ideals for which Sri B M Sreenivasaiah stood, continues to inspire the inheritors of his legacy

Late Sri B. S. Narayan
Donor Trustee

Sri B S Narayan, the dynamic and enterprising son of the founder, took over the reins of the college after the demise of Sri B M Sreenivasaiah. Under his able guidance, BMS College of Engineering developed into one of the finest engineering colleges in the country. He was also instrumental in initiating international collaboration programmes such as cross-cultural programmes with Melton Foundation, USA, training foreign students under International Co-operation Division, etc.

Vision

Promoting prosperity of mankind by augmenting human resource capital through quality technical education and training

Mission

Accomplish excellence in the field of technical education through education, research and service needs of the society

BMS Educational Institutions are managed by BMS Educational Trust [BMSET]. Five trustees constitute the Council of Trustees. Dr. B.S. Ragini Narayan, Donor Trustee, is the Member Secretary of the Trust. Other trustees are Dr. P. Dayananda Pai, Syndicate Member, NITK, Surathkal and Manipal University, Former Syndicate Member, Mangalore University and Chairman, Board of Governors, BMSCE, Dr. S.K. Shivakumar, Trustee, BMSET and Former Director, ISRO Satellite Centre, Sri M. Madan Gopal, IAS [Retd.], Trustee, BMSET, Former Additional Chief Secretary, Government of Karnataka and Dr. Manjula N, IAS, Commissioner, Department of Collegiate Education, Government of Karnataka, Trustee, BMSET.

To advance the cause of education, the BMS Educational Trust started number of institutions which are providing quality education to student community. The BMS Educational Trust is currently managing the following highly reputed educational Institutions imparting quality education.

BMS College of Engineering	1946
BMS College of Law	1963
BMS PU College for Women	1964
BMS Degree College for Women	1964
BMS Evening College of Engineering	1973
BMS Hospital	1991
BMS Institute of Technology	2002
BMS School of Architecture	2010
BMS Evening College for Arts & Commerce	2013
BMS Centre for Execuitve Education	2013
BMS College of Architecture	2016

Council of Trustees of BMS Education Trust

Dr. B.S. Ragini Narayan
Donor Trustee and Member Secretary, BMSET
Chairperson, BMS College of Law and BMS College for Women

Dr. P. Dayananda Pai
Trustee, BMSET
Chairman, Board of Governors, BMSCE
Industrialist, Syndicate Member, Manipal University and NITK, Surathkal

Dr. S.K. Shivakumar
Trustee, BMSET
Former Director, ISRO Satellite Centre

Sri M. Madan Gopal, IAS (Retd.)
Trustee, BMSET
Former Additional Chief Secretary, GoK

Dr. Manjula N, IAS Commissioner, Department of Collegiate Education, Government of Karnataka, Trustee, BMSET

The BMS Institutions enable students to excel in their chosen fields in addition to inculcating moral and ethical values and play an important role in instilling confidence in them to face new challenges. Currently, around 16,000 students are enrolled with various BMS Institutions. An alumni base of over 1 lakh has enriched the communities the world over.

Message from Chairman

BMS College of Engineering owes its existence to the vision of beloved founders Sri B M Sreenivasaiah and his illustrious son Sri B S Narayan. The founders have envisaged the vision of providing skilled and competent workforce to society by imparting quality education and training. They strongly believed that creation of skilled teaching manpower would promote the cause of nation building. This vision is relevant even today; going by the young demographic nature of India and the challenges they encounter to meet the changing global market needs. I also take this opportunity to express grateful thanks to all those who have contributed to the success story of BMSCE.

The year 2017-18 has been another remarkable year of outstanding achievements for BMSCE. The Institution has been ranked amongst the best engineering institutes in the country by various credible ranking agencies and media houses.

The Training & Placement centre is an integral part of the institute. In addition to facilitating students placement, the centre also acts as a bridge between the institute and academia. Thanks to the support of leading organisation, the placement record of BMSCE has always been excellent and in the forefront. I congratulate the placement officer and his team and all the stakeholders for making our students ready for the external world.

Hearty congratulations to all at the Training & Placement Centre for their efforts in bringing out the Placement Brochure - Horizon - 2018 and I wish the students the very best for their placement.

Dr. P DAYANANDA PAI
Chairman

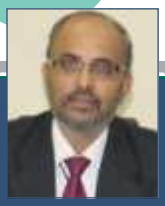
Message from Donor Trustee

BMSCE today has emerged as a leader in the Engineering Education in the State of Karnataka. Owing to its Credentials, BMSCE has accredited by National Assessment and Accreditation Council (NAAC) and National Board of Accreditation (NBA), New Delhi. The futuristic vision of the founders is the guiding principles which prioritise our endeavours. During its seventy two year history, BMSCE has graduated more than 40,000 students who have enriched communities across the country and around the world. The high academic standards of the Institution are evident in its students.

The Training and Placement Centre identifies the potential of the students, assists and grooms them for their future careers and empowers them to meet the high level of performance expectation of the recruiters. It is heartening to know that the Training and Placement Centre is releasing a placement-cum-information brochure - 2018 of the college depicting its activities. I congratulate the entire team for the efforts.

On behalf of the Management, I take this opportunity to wish all the companies a pleasant and satisfactory experience at BMSCE and thank them for showing continuous faith in us over the years by recruiting our students.

Dr. B S RAGINI NARAYAN
Donor Trustee & Member - Secretary
BMS Educational Trust



Message from Principal

Greetings from BMSCE!

The Placement & Training Centre helps/guides the students in their domain areas through number of career guidance progammes and workshops with an aim to transform them as industry ready professionals. I welcome the recruiters and assure them of the ability and competence of the students of this institution. I am sure that our technically competent graduates will be resourceful to your organisation.

I wish all the very best and have a Happy Placement Season.

Dr. B V Ravishankar
Principal

Message from Vice Principal

Greetings from BMSCE

The College Placement & Training Centre plays a key role in enhancing the students' strength and equips them to meet the challenges in today's global and highly competitive markets by imparting requisite skill sets and industry exposure.

Placements are one of the benchmarks to the performance of any institute. The college Placement and Training Centre is bringing out its annual brochure, 'Horizon-2019' as a prelude to this season's campus placements exercise.

I take this opportunity to wish all the recruiters a pleasant and fruitful experience at BMSCE. I am sure this will pave way for an everlasting relationship with our institution.

Dr. RAVISHANKAR DEEKSHIT
VICE PRINCIPAL

Message from Advisor

In the emerging and fast changing world, there an obvious need to produce graduates with high level of adaptability, and who are innovative enough to face the diverse challenges. BMSCE has been promoting quality engineering education over the past seven decades to meet the development needs of the country. The institution seeks to provide best possible opportunities to its students and make them ready to enter the industry portals.

Rigorous syllabus and practical industry exposure has instilled confidence in our students to face real-time problems. The Training & Placement Centre strongly believes that each student is a valuable resource and focuses in maximising their career prospects by providing comprehensive career solutions.

I thank one and all for your sustained support to the institution and sure our relations will grow stronger and deeper with each passing year. My best wishes to the student community.

Dr. H S Jagadeesh
Advisor

Message from Placement Officer

Dear Recruiter,

BMSCE has a rich tradition of producing professionally competent graduates by providing value-based and quality education. The Institution ensures that they are adaptable to ever changing demands and requirements of the world. Seven decades and counting, BMSCE has produced many illustrious alumni, who have significantly contributed at national and international levels. BMSCE graduates go through an updated, balanced but rigorous program.

The teaching methodology has high focus on self-learning and practice. The outcome-based curriculum design and teaching method adopted by the Institution focuses on learning outcomes where the emphasis is on what a student is able to learn and do after the learning activity. The Institution has been embarking the syllabus by bench-marking with the syllabus of reputed institutions like NIITs, etc. BMSCE also provides its students a wide range of training programmes aimed at enhancing their employability skills, as well as providing them with many curricular and extra-curricular events to ignite their minds. We are confident that our graduates would be able to adapt to various challenging situations and fulfill the organisational objectives. I am sure that our students will turn out to be assets of your organisation. With great honour and pride, I take this opportunity to extend a warm invitation to the recruiters and hope that we will enjoy a mutually beneficial relationship.

Dr. S Pradeepa
Placement Officer

Message from Asst. Placement Officer

BMSCE has a strong rooted belief in quality education and responsibility in making every student industry ready. The Training & Placement Centre equips its students with skills that will help them contribute almost immediately to the organizations that they join. The centre regularly interacts with the industries to increase the employment opportunities of the students and also increase their awareness on real time working environment.

We highly appreciate the confidence reposed in us and the invaluable support extended by our recruiters over the years. You are our biggest strength and we seek your continued patronage at all times.

For the recruiters looking for talented pool of people. I am sure will be greeted with young, bright and aspiring minds.

Dr. J Sharana Basavaraja
Assistant Placement Officer

The Institute

B.M.S. College of Engineering (BMSCE), Bengaluru has the unique distinction of being the first private engineering college established in the country. The college offers 13 Undergraduate, 15 Postgraduate programmes & 14 PhD degree programmes both in conventional and emerging areas in Engineering & Technology. The College has one of the largest student populations amongst engineering colleges in Karnataka. Currently more than 5000 students are pursuing their higher studies in BMSCE. More than 350 research scholars are pursuing their PhD degree and over 80 PhDs have been produced so far through BMS Research Centres.

The college maintains high academic quality standards; the certification by the National Assessment and Accreditation Council (NAAC) and National Board of Accreditation (NBA) is the testimony of the same. In fact, BMSCE is one of the first few Institutions in India to be bestowed with NBA Accreditation in Tier-I format. The institute recently achieved the inimitable distinction of being one of the listed Institutions under TEQIP-III. The institute is collaborated with IITs, IISc and other premier institutions to promote quality engineering education through blended learning practices. The institute is also approved as QIP Centre in Engineering & Technology by AICTE,New Delhi.

The learning experiences and quality educational practices created at the institute supplemented with academic ambience, state of the art infrastructure,

pedagogy, academic innovations, research, incubation, training opportunities and entrepreneurship provided to diverse student population is enabling the institute to produce graduates who are industry ready. The college has an excellent team of teaching faculty. They are well qualified, meritorious, experienced and highly dedicated. B.M.S. College of Engineering was awarded academic autonomy since 2008-09 onwards by the UGC, New Delhi and has been effectively practicing Outcomes-based Education (OBE). Over the past 72 years of its illustrious existence, BMSCE has produced more than 40,000 engineering/leaders who have enriched the world through their immense contribution. BMSCE is one of the most preferred higher educational destinations for the students not only in the country, but also attracts students from south Asian & African countries.

06

The Institution highly values and encourages research and innovation of students/faculty. To supplement the activity, the institution has developed many Centres of Excellence and cutting edge laboratories in collaboration with industries/organisations.

The College leaves no stone unturned to ensure that the programmes match industry demands and the graduates enter the workforce with the required skills to excel in their chosen career fields. The employability factor is one of the prime considerations in the design and development of outcome-based curriculum. The College is also focusing on guiding the students to become entrepreneurs.

As BMSCE completes its 70th year, it is time to celebrate its history, preserve its gains and pledge its commitment to pursue excellence.

Highlights

- First private engineering college in the country
- Permanently affiliated programs of University (VTU)
- Approved by All India Council of Technical Education (AICTE), New Delhi
- Approved by University Grants Commission (UGC), New Delhi
- Recognized by AICTE as QIP Centre in engineering & technology
- Included under sections 2f and 12B of the UGC Act, 1956
- TEQIP Institution (World Bank Project); BMSCE has been selected as Mentor institution under TEQIP-III.
- Only Partner institution from India to the Melton Foundation, USA
- Strong alumni network with more than 22000 registered

Academic Programmes

Undergraduate

B.E.	Civil Engineering
B.E.	Mechanical Engineering
B.E.	Electrical & Electronics Engineering
B.E.	Electronics & Communication Engineering
B.E.	Industrial Engineering & Management
B.E.	Computer Science & Engineering
B.E.	Telecommunication Engineering
B.E.	Information Science & Engineering
B.E.	Electronics & Instrumental Engineering
B.E.	Medical Electronics
B.E.	Chemical Engineering
B.E.	Bio-Technology
B.E.	Aerospace Engineering

Postgraduate

M.Tech.	Construction Technology
M.Tech.	Environmental Engineering
M.Tech.	Transportation Engineering
M.Tech.	Machine Design
M.Tech.	Manufacturing Science & Engineering
M.Tech.	Power Electronics
M.Tech.	Digital Communication
M.Tech.	Electronics
M.Tech.	VLSI Design & Embedded System
M.Tech.	Computer Science & Engineering
M.Tech.	Computer Network Engineering
M.Tech.	Bio-Chemical Engineering
M.Tech.	Bio-Medical Signal Processing & Instrumentation
M.Tech.	Master of Computer Applications
M.Tech.	Master of Business Administration

Affliation & Accredition

NATIONAL BOARD OF ACCREDITATION | NAAC NATIONAL ASSESSMENT AND ACCREDITATION COUNCIL

First Institution in the state of Karnataka to be bestowed with National Board of Accreditation for its UG Programmes in Tier I Format

Accredited by National Assessment and Accreditation Council [NAAC] with 'A' Grade

Permanently affiliated to Visvesvaraya Technological University (VTU), Belagavi

Recent Achievements & Recognitions

This year has been another remarkable year of outstanding achievements for BMSCE. The Institution has been ranked amongst the best Engineering Institutes in the country by various credible ranking agencies and media houses.

The Times of India Engineering Institutes Ranking Survey, 2018

a. Ranked 6th among top 100 Private Engineering Institutes in the Country

b. Ranked 14th among top 150 Engineering Institutes in the Country (Overall ranking)

c. Ranked 3rd among top private engineering institutes on Placement

d. Ranked 4th Among Top Engineering Institute on Research capability

Career 360 Magazine India's Best Engineering Collges – 2018

- AAAA+ grade by Career 360 Magazine 2018

Professional Bodies/Student Forums/Clubs

With a view to expand its activities and also increasing network possibilities, the institution is associated with a good number of professional bodies both at department and institutional levels.

At Institution Level

- Project Management Institute (PMI)
- Karnataka State Pollution Control Board
- Quality Assurance In Public Construction
- Indian Society for Technical Education (ISTE)
- National Entrepreneur Network (NEN)
- Melton Foundation, USA
- DROID – Student Robotics Forum
- Propel Labs
- Society Automotive Engineers (SAE)
- BMS Quiz Forum
- Pentagram, the Mathematics Society
- Mountaineering Club
- Photography Club
- Rotaract Club
- Chirantana – Kannada Sangha
- Student Association of MCA (SAMCA)
- Programmers Club
- TEDX Club

At Department Level

Civil Engineering: Indian Concrete Institute (ICI), Indian Waterworks Association (IWA), Centre for Water Resources Development and Management (CWRDM), Rajiv Gandhi Rural Housing Corporation, Nirmithi Kendras and Karnataka State Habitat Centre (KSHC), AWAAZ (NGO working for improvement of slums), Swamy Vivekananda Youth Movement (SVYM), Nirmaan, Association for Consulting Civil Engineers (ACCE), Indian Geotechnical Society (IGS).

Mechanical Engineering (ME): Indian Society of Heading Refrigeration & Air Conditioning Engineers (ISHRAE), Society of Automotive Engineers (SAE), Mechanical Engineering Association (MEA), FPSI: Fluid Power Society of India, ISAMPE: Indian Society for Advancement of Materials & Process Engineering, Aerospace Club.

Electrical & Electronics Engineering (EE): Institute of Electrical & Electronics Engineers, Institution of Engineering & Technology (IET), Information Technology Club, ISA, ACCS

Electronics & Communication Engineering (EC): IESA (India Electronics Semiconductor Association), IEE MBSCE Chapter, ELSOC- Electronics Students Association

Industrial Engineering & Management (IM): Indian Institute of Industrial Engineering (IIIE), National Productivity Council (NPC), Industrial Engineering Club (INDEC)

Architecture (AT): Indian Institute of Architects (IIA), Institute of Town Planners, India (ITP), Institute of Urban Designers, National Institute for Advanced Studies in Architecture (NIASA), National Association of Students of Architecture (NASA), Indian Green Building Council (IGBC), Indian Institute of Interior Designer (IIID)

Computer Science & Engineering CS: Computer Society of India, PROTOCOL, IEEE, BITES

Telecommunication Engineering (TC): Institute of Electrical & Electronics Engineers (IEEE)

Information Science & Engineering (IS): Board for IT Education Standards (BITES), Institute of Electrical & Electronics Engineers, Avalanche, ISE Student Clubs

Electronics & Instrumentation Engineering (E&I): Institute of Electrical & Electronics Engineers, Institution of Engineering & Technology (IET), Information Technology Club, ISA, ACCS

Medical Electronics (ML): Institute of Electrical & Electronics Engineers, Engineering in Medicine and Biology Society (IEEE, EMBS), Medical Electronics Association

Chemical Engineering (CH): Institution of Engineers, Indian Institute of Chemical Engineers

Bio-Technology (BT): GENOME: Students forum, Bio-Technology 2020, Bio-Discovery Group, Indian Science Congress Association, National Women Science Congress Association, Biotech Research Society of India, All India Biotech Association. Indian Pharmaceutical Association of India, ISTE, Indian Academy of Neurosciences (IANS), Proteomics Society of India (PSI), Students registered: IEEEEMBS, Association of Biotechnology Led Enterprises (ABLE), Proteomics Society of India (PSI)

Mathematics: Academy of Discrete Mathematics & Applications (ADMA), Indian Mathematical Society (IMS), Indian Society for Theoretical and Applied Mechanics (ISTAM), Indian Society for Heat and Mass Transfer (ISHMT), Ramanujam Mathematical Society (RMS)

MCA: Institute of Electrical and Electronics Engineers (IEEE), IEEE Women in Engineering (IEEE WIE), Association for Computing Machinery (ACM), Indian Society for Technical Education (ISTE), Advanced Computing & Communication Society (ACCS), International Association of Engineers (IAENG), Indian Unit of Pattern Recognition and Artificial Intelligence, IEEE Intelligent Transport System

MBA: All India Management Association (AIMA), Association of Indian Management Schools (AIMS), Bangalore Management Association (BMA)

The Institution has a number of student forums/clubs which provide opportunity to students who participate in wide range of cocurricular, extra-curricular, social and community development activities. Throughout the year, numerous events are organised for students to pursue their hobbies.

Dept. of Training & Placement

BMSCE has authored and set many examples of yeomen student centric initiatives. One such initiative is the Department of Training and Placement. The Institution firmly believes that placements are the major benchmark to the performance of the institute. The placement cell is the nodal centre and an integral part of the institution. Started during 1995 it has scaled great heights and touched about 17500+ cumulative offers since its inception. The Centre has very active linkages and collaborations with industry.

The Centre helps students in pursuing their career interests and also assists the employers in achieving their hiring goals. The vital roles of the Centre is to groom and shape the students and make them industry ready by imparting necessary skills and training. More than 150 reputed National and Multinational companies visit our institution for campus recruitment annually.

The Centre provides value added services like personal interview, analytical, quantitative, reasoning, mock tests, team spirits and enterprise dynamics as part of their preplacement training. It also facilitates a web portal service to students to take up simulated online tests. The Centre offers complete state-of-the-art physical, communication and computing infrastructure for its effective functioning and best arrangement necessary to facilitate the officials and companies visiting for placements.

Our highly skilled and dedicated staff will deliver precisely planned services to the student community and companies. The Centre also conducts various training sessions/workshops for students by eminent trainers from the industry to enhance their skills.

To emerge as a most preferred destination for all cooperates to hire globally competent and ethically strong engineering talent.

To nurture fresh talent to be industry ready by conducting purposeful and value added teaching and training.

To identify the right career option for the students in tandem with their skills, personal values and interest

To strive hard to enhance the employability of students and meet the aspirations of students and corporate community

To facilitate students to acquire contemporary and futuristic skills

Module of Training

Language & Proxemics	Interview Skills	Resume Writing	Aptitude Test Preparation
Group Discussion	Time Management	Basic Grammar	Building Vocabulary
Listening Skills	General Mathematics	Presentation Skills	Stress Management
Assertive Skills Training	Good first impressions	Study technique	Art of approaching
Social mannerisms	Reading Comprehension	Self Discipline	Gender Sensitization

The Process

Step 1 The placement office shall communicate, network and build relations with potential recruiters. Students seeking placement shall register for the campus placements.

Step 2 The placement office confirms his/her registration, participates in pre-placement visits to the companies and conducts grooming and training of the students for better placements.

Step 3 Send invitation to potential recruiters to visit the Institute and procure relevant details regarding the final placements. Respond to recruiters' intention to participate.

Step 4 The placement team communicates the dates for campus visit for each recruiter by considering factors like student preference, job profile, etc.

Step 5 Companies are encouraged to give pre-placement talks before the commencement of recruitment process.

Step 6 The companies conduct different rounds of selection process (aptitude test, group discussion, personal interview, HR and others) and inform the names of selected students to the placement department, which in turn shall inform the concerned students of the same.

Step 7 The placement office conducts general follow-up, joining formalities and other administrative activities.
